Hello! It having been some three months, and with events-a-million swirlin' abight as they do, we thought we'd fill ya in...and hellzapoppin' if it ain't in the nick-a-time, too...

This Saturday evening, October 14th, from 7:00 - 10:00 PM, there's an OPENING RECEPTION at [Metuchen Art Works](#)...for Kim! She has a brand new exhibition up, and folks, it is stunning. Accessible and chock full o'what you can expect...yet completely unexpected. Amongst other things - MANY other things! - Kim is debuting the complete artwork to her as of yet unpublished book, OH NO, DOMINO! You'll want to be on hand to catch a sneak preview which the general public won't see for another 4-6 months...unless you come to the gallery of course!

Can't make it Saturday evening? The installation is up until the 29th of this month.

Wait, wait, there's more! Other exciting events at the gallery this Kimtober include another OPEN MIC NIGHT on the 21st, from 8:00-11:00 PM; an incredible FAMILY NIGHT starring [Kevin & Stephanie Kammeraad](#) on the 27th at 7:00 PM, and a COMEDY NIGHT on the 28th at 8:30 PM (LEAVE THE KIDS AT HOME FOR THIS ONE)! There's more happening at the gallery than EVER, kidlings, so get in on it while the gettin's good! 15 Station Place, Metuchen.

And then, get a load of THIS fresh article: [Local gallery display shows birth of a book](#) from this week's Edison - Metuchen Sentinel. It's an article about you-know-who!

[How Much Wood Could a Woodchuck Chuck?](#) continues its steady march towards being in ev'ry kid's collection...but if it's not in yours yet, it is still available at our site or may be ordered from your favorite store - the big chains have it (or can order it), but hey, try an indy! If you live around here, get it from [The Raconteur](#) in Metuchen or [the Town Bookstore](#) in Westfield- two of our favorites!

We're making a bunch of new [appearances](#)- the page has been updated, although we are constantly adding new dates, so if we're not at a place where you are, make a request and hold your breath!

Listen UP! is now completed in terms of recording...next stop mastering and packaging. Look for it before the turn of the century. Film at eleven. Same goes for The BAR, which now features the new title The BAR.

And now:

Events galore: Since we last checked in, Rachelle has had her Bas Mitzvah. She made us - and continues to make us - very proud. She's now in high school, and doing very well. An adjustment, to be sure...not just for her but for us! However, if you know her...let's just say no task too great.

Joshua becomes a BLACK belt in Tae Kwan Do this month. He looks forward to his liberation...as do we.

He and Maxx are both enrolled in Hebrew School, because as parents our role, as so many of you

can identify with, is to find reasons to make our children hate us not just during the week, but on weekends, too.

Murray and Hercules: Oh, these two delightful little scamps! The scalliwags! The rascallions! Do you know what these two lovable little moppets did now? We'll tell you: They switched brains! No, really! Now they're both stupid.

Site of the month: Why, [Metuchen Art Works](#) of course! After all, it IS Kim's month! Besides: 'ome is where the art is.

Rock and roll closer: You know, the world is getting kinda weird out there. May we suggest, in the heartfelt words of Sly & The Family Stone, "Different strokes for different folks, and so on and so on and scooby dooby dooby". As relevant today as it was back in '69.

Who loves ya? It's us.

- Your very own Adlermans.

PS: Wanna opt out of this list? No? Who could blame ya? If YOU could blame you, drop us a line, and poof, you're gone.
